Request or Add Manufacturer / Model

Per customer requests, we have changed the process to Request or Add a Manufacturer or Model. Now you can make the request when you are creating your listing without having to go to another screen. This will let you proceed with your listing without waiting for our Technical staff to respond to your request.

If you are an *Inventory Mover* customer, the Manufacturer / Model drop downs will show *Add Manufacturer* or *Add Model*.

Enter the Manufacturer and/or Model Name and click Submit.

If you select Manufacturer, you will be required to enter a Model as well.

If you are an *Inventory Mover* customer, the Manufacturer or Model will be added to your dropdown lists so you can use these same ones again.

Our Tech Support will continue to review all requests and additions. *Inventory Mover* customers will be contacted if their addition or request is not approved.
