## Contact This Dealer Form Updates

The Contact This Seller and Email Dealer forms have been updated. If you are logged into your account when browsing for equipment, your name, address, phone number and email address will be prefilled in the form, saving you time and eliminating errors. If you are not logged in, the fields are blank and your name, address, phone number and email address must be entered.

We have added a Preferred Method of Contact so you can select whether you'd like the seller to call or email you about the equipment.

Also added was a requested Response Time. This gives the seller an indication of the time you are expecting him/her to contact you regarding the equipment. Options are: within 24 hours; within 2-3 days; or within 1 week, which is the default.
