Designate Picture Order

Based on customer comments, we have now created a way for you to move the order of your pictures. Sometimes you may have uploaded a picture and realized you didn't want that to be the first one. Now, you can easily reorder the images.

In the page to upload images, either when creating or editing a listing, there now are boxes with a number above each image.

*Indicates a required field

YOU'RE EDITING: Heavy Equipment : Backhoe : Allis-Chalmers :

Images: Upload images to help sell your item faster! You may upload up to 12 images. To add multiple images to this listing, click the Add button. To re-arrange the order images display, type the order number into the boxes and click the ReOrder button.
[Click here for help on uploading your images.](#)

1	2	3	4
			
Image 1: <input type="button" value="Delete"/>	Image 2: <input type="button" value="Delete"/>	Image 3: <input type="button" value="Delete"/>	Image 4: <input type="button" value="Delete"/>

Click Preview to upload images and stay on this page, Click ReOrder to change image order, or Click Next to upload images and Continue.

Just re-number the pictures in the order you want them, as shown in the picture below. (We have reordered the pictures so the first one above is now #2, the second is now #4.) Then click the Reorder button.
