### Multiple Prices

Several customers have requested the ability to enter multiple rental prices for one piece of equipment, and the ability to list a piece of equipment For Sale and For Rent, or At Auction without having to enter it multiple times. We've made that change for you; you can now enter up to 4 prices for one listing!

When creating a listing, just select *Add* to add another price line. You will get up to 4 lines for prices.

\*Price (\$): **Including a price increases response!** (\$0 will display as *Call for Price*)

In your list of listings, you can't edit all your prices at once. Instead, there is a link *Edit Prices* which will take you to the listing to edit the prices.
