Search Your Listings

You've always been able to sort your listings by Update Date, Year, Make, Model, Price, VIN/Serial Number and Stock Number, but sometimes that doesn't help, especially if you have a lot of listings. Rather than paging through all your listings, you can now search your listings by:

- o Stock #
- o VIN/Serial Number
- o Price
- o Make
- o Year

To sort a listing, just click on the column heading (Update Date, etc). This will sort them ascending. To sort descending, just click on the column heading again.

To search the listings, use the drop down list in the *Search By:* box and enter your search term in the white box. Hit the *Search* button to search. Only items matching your search criteria will be displayed. To return to all your listings, select the *Show All Listings* box.
